

SHALL DISARM CONCLAVE WORK BE IN THE OPEN

Question of Open or Secret Sessions De- bated in House

(By The Associated Press)
WASHINGTON, Aug. 17.—The question of open or secret sessions at the disarmament conference started a senate debate today in which Democrats criticized steps taken by the administration and Chairman Lodge of the foreign relations committee, one of the American delegates, gave his colleagues some glimpses of the attitude he intends to adopt in the conference.

The outbreak was short-lived. Further debate on the publicity question was assured by presentation of a measure which would instruct the American delegates to insist that the conference sit with open doors.

Senator Lodge did not express his views with regard to publicity, but he did assert that in disarmament negotiations he would hold to the principle that the only solution was a general disarmament.

Speaking on a good roads bill later he asserted it was false economy to save money for roads by taking it away from the army and navy, whose reduction he said had been "carried too far," under existing conditions.

Woman Appointed.
While the senate debate was in progress President Harding listened to the plea of women political leaders that he appoint a woman on the American delegation and told them he was confident a woman would be found to fulfill woman's influence and intuitions to aid in the success of the negotiations.

The president's words were variously interpreted but it was said he refrained from a specific statement whether a woman would sit in the conference.

Those who took the petition to the White House were acting for the National League of Women Voters.

Small Alice Robertson
Before their interview with Mr. Harding, the women distributed statements assailing Representative Alice Robertson of Oklahoma for her declaration that it would be difficult to find a woman qualified to act as a delegate. In all of the statements, it was asserted that Mrs. Robertson could not be regarded as a competent spokeswoman of American womanhood.

The senate discussion of disarmament was stated by Senator Harrison, Democrat, Mississippi, when he introduced a proposal to bind the American delegates to open sessions at the conference. He presented it as an amendment to that section of the shipping board appropriation bill which would make \$200,000 available to pay expenses of the conference and also it did not come up for immediate consideration he took the opportunity to comment on Senator Lodge's selection as a delegate.

Says Lodge Responsible
Mr. Lodge, declared Mr. Harrison, had done more than any other person to postpone disarmament by sponsoring "the reservations which killed the league of nations."

He added that he had hoped to see Senator Borah, chosen as a delegate because of his efforts to crystallize disarmament sentiment but asserted that it seemed apparent there was "forces at work for the selection of men who do not share the views of Senator Borah."

British Personnel
London, Aug. 17.—Austen Chamberlain, government leader in the house of commons informed parliament today that no decision had been reached concerning the composition of the British delegation to attend the disarmament conference.

The majority of these are returning to their own country, he said, some without money but many with \$1,000 to \$1,500.

Music An Aid To Postal Clerks Labors

(By The Associated Press)
WASHINGTON, Aug. 17.—Music to improve the morale of workers whose duties take them well into the wee small hours have been tried out in the Minneapolis postoffice and proved a success, E. A. Purdy, is postmaster, today informed Postmaster General Hayes.

The idea was tried, Mr. Purdy said, after he had made a psychological study of conditions under which his night men worked. He found the men working away from general noises as a rule showed a low morale, inclined to be morose and generally worried at being away from their families.

A phonograph was installed and records which it was thought would enliven the spirits of the employees, were tried nightly with gratifying results, Mr. Purdy said, although he was careful to explain that no "jazz" was played until the far-end of the night as he did not want the men juggling letters and parcels.

The postmaster general approved the plan.

REACH AGREEMENT ON RUSSIAN RELIEF WORK

Litvinoff Is Told American Program Must Proceed in Way Outlined by Secretary Hoover.

RIGA, Latvia, Aug. 17.—With Herbert Hoover's telegram, which reiterates the uncompromising attitude of the American Relief Administration concerning the feeding of the famine districts in Russia at hand, Walter L. Brown, director of the American Relief Administration today arranged for another conference on the subject with Maxim Litvinoff, representative of the Russian relief committee. The conference took place tonight and Mr. Brown and M. Litvinoff reached an agreement on all subjects except the contention of the Bolsheviks for the right to limit the number of American Relief Workers and to expel any individual among them. The relief administration firmly opposed this and Litvinoff has submitted a modified proposal.

Litvinoff conceded the right of the Americans to select any area in Russia for their work that they desire with the understanding that it would be where food was needed. Mr. Brown by way of explanation said the relief administration also permitted government representation on local committees which seemed to clear Litvinoff's misapprehensions in this respect. The Bolsheviks will be represented on this committee but the relief administration will maintain control of them.

NEW TAX BILL WELL GRILLED BY HOUSE MEMBERS

Democrats Will Vote Against Republican Tax Bill

(By The Associated Press)
WASHINGTON, Aug. 17.—Democratic members of the house at a caucus tonight pledged themselves to vote against the Republican tax revision bill, and adopted a resolution declaring that the measure was subversive of the principle that should govern taxation for the support of this government.

Discussion ranged from the number of cooks President Wilson took to Paris to the question of social justice.

Debate Opened.
Chairman Fordney of the Ways and Means Committee opened the four hours debate after the house had adopted, on a strict party vote, a rule providing for a final vote at three p. m., Saturday.

Most of his speech of an hour as he said in closing, was "a little about the bill and a whole lot about the Democratic party."

Reviewing what he described as extravagances under the last administration Mr. Fordney charged that President Wilson had taken over the railroads for political purposes only and had placed in charge of them "his son-in-law, McAdoo whom he was grooming for the presidency."

Asked from the Democratic side why he had voted for the bill authorized for federal control of the carriers, the speaker said:

"I voted to put the president in a hole and we did it."

Later Mr. Fordney said he had made his statement about taking over the railroads jokingly but his declaration was greeted with jeers from the Democrats.

The chairman went into detail about shipping board operations and purchases as well as operations of the railroads and the telephone lines and declared that now the Republican administration had to "go to the country and ask for money to pay for these extravagances."

Wilson Extravagance.
He then gave some figures about the number of people President Wilson carried with him to Paris and the money spent while there, adding:

"The fiddler wants his pay now; we danced then."

Turning to the bill he discussed briefly the changes in tax levies proposed and declared the committee had made an honest effort to reduce taxes and believed it had given the house "as equitable a measure as was possible under the circumstances."

Mr. Fordney was given a demonstration by his Republican colleagues and some Democrats who stood and applauded him for several minutes.

The decision was reached at the fourth meeting held since yesterday in an anxiety to chart a course for the minority. The caucus also instructed Democratic members of the ways and means committee to offer a motion to reconsider the bill immediately before the final vote.

Charges Made
The resolution charges that the bill "relieves profiteers and tax payers of large incomes from their just share of the load of taxation and leaves an unfair portion of the burden to be borne by the people of moderate means."

"It violates," the resolution continued, "the promise of all parties to reform and revise the system of taxation so that all citizens and corporations shall bear a just portion of the tax load."

Approximately 80 of the 132 Democrats in the house attended the caucus and were reported to have voted unanimously to oppose the bill.

The real pen, it was revealed, is still in its place at the society's rooms.

HAY SHIPMENT IS GREATLY REDUCED BY HIGH FREIGHT

**Claim Many Acres in West
Will Not Be Cut This
Year**

(By The Associated Press)
WASHINGTON, Aug. 17.—Movement of hay to and from Omaha, Kansas City and other hay markets has been curtailed more than fifty per cent by increased freight rates, dealers testified today before the interstate commerce commission in hearings on grain and hay freight rates. Because hay is a cheap commodity and moves longer distances than other products the traffic has suffered more than others, witnesses said and thousands of prairie hay in the west will not be cut this year.

N. C. Campbell, president of the Kansas City Hay Dealers' association said that before the increase in rates last year, Kansas City said to be the largest hay market in the world, handled 46,000 cars of hay a season, much of which went to the south and southeast to feed stock used in producing cotton, sugar and other farm products.

**COAL MINE OPENS
ON CO-OP. BASIS**
CENTRALIA, Wash., Aug. 17.—A commercial coal mine a few miles west of here has solved the industrial problem brought about by the statewide strike of miners by re-opening on a cooperative basis, according to A. **CUSTOMS BAN ON
LIQUOR SUSPENDED**
Washington, Aug. 17.—Temporary suspension of the custom ban prohibiting intoxicating liquors shipped from one foreign country to another to move across the United States was announced today by Secretary Mellon.

"In view of the injunctions granted at Detroit and at New York," Mr. Mellon said, "requiring the collector of customs to continue to permit the transportation and exportation entries for liquors in bond, the treasury department has deemed it advisable temporarily to suspend its order regarding such shipments."

ASK TARIFF TO EQUALIZE COST OF PRODUCTION

Also Want Continued Embargo Against Dye Importations

(By The Associated Press)
WASHINGTON, Aug. 17.—Tariff rates which would equalize American and foreign production costs and legislation to aid in the establishment of an American dye industry, were urged before the senate finance committee today by Representatives of the North Carolina division of the southern tariff association. They also asked that the embargo in the emergency tariff law against dye importations be continued.

Those appearing include E. P. Wharton, and A. B. High, of Greensboro, N. C., and J. A. A. nold, of Fort Worth, Texas, secretary of the Southern Tariff Association and Chairman Penrose assured them the committee was glad they had come for it "cheers us up to know that the south has grasped the benefits to come from a protective tariff program."

Discuss Oils and Fats.
Proposed duties on vegetable oils and fats was the basis around which much of the day's discussion centered. Users of the oils protested against high rates but dairy interests joined with some of the oil producers, in urging the tariff, declaring their business was being run at a loss.

The dairy industry continually opposed the competition of butter substitutes A. M. Loomis, secretary of the dairy asking for schedules of rates which some members of the committee declared will amount to an embargo when based on American valuation.

**HOME BREWERS IN
ILLINOIS NOT SAFE**
(By The Associated Press)
CHICAGO, Aug. 17.—Regardless of any legislation passed by congress, provisions of the Illinois search and seizure law will prohibit the making of home brew, according to advice given dry leaders today. The portion of the Illinois law held by attorneys to prohibit the making of home brew reads as follows:

"Whoever shall, within prohibition territory, by himself, or by another, either as principal, clerk or servant in any manner, manufacture any intoxicating liquor in any quantity shall be punished as prescribed in Section 8 of this act."

Section 8 provides a penalty of not less than \$50 nor more than \$500 or a sentence of not less than 20 days nor more than 60 days, or both, for those found making intoxicating liquor.

John Kjellander, director of prohibition, today declared that makers of home brew would be vigorously prosecuted where evidence indicates sale of such liquor.

OBENCHAIN CLAIMS WILL HAVE KENNEDY MURDERER SHORTLY

**Free Burch and
Ex-Wife**

(By The Associated Press)
Los Angeles, Calif., Aug. 17.—The man who killed J. Belton Kennedy near here August 5 will be in jail within five days, Ralph R. Oberlin told newspaper reporters today.

As attorney for his divorced wife, Madelyne Obenchain, he announced that he had obtained evidence that not only would cause the arrest of the slayer of the broker, but effect the release of Mrs. Obenchain and Arthur C. Burch, held in jail under indictment for the slaying of Kennedy.

"The investigation which we have been conducting has produced evidence showing a new theory for the killing of Mr. Kennedy and the individual or individuals responsible for the murder or who are directly implicated in it will be arrested."

Mrs. Obenchain's statement came after he had lost his first tilt with the prosecution over a technical battle to retain possession of a trunk consigned to Mrs. Obenchain from San Francisco. When it arrived last night he announced he would attempt to prevent seizure of it, on the ground that it was his trunk, temporarily being used by his former wife and that under the law it could not be identified as evidence.

Deputy District Attorney Keyes secured the trunk on a subpoena and contents were gone over behind closed doors. Whether these were of pertinent value was not disclosed, but Mr. Obenchain announced that he would fight the introduction of any of the trunk's contents as evidence on the ground that it had been seized unlawfully.

Gradual Increase Shown in Food Prices

(By The Associated Press)
WASHINGTON, Aug. 17.—Retail food prices increased 2.7 per cent in July over June prices while the prices of wholesale foodstuffs advanced 1.5 per cent and wholesale farm products 1.75 per cent, the department of labor announced today.

Of forty articles on which retail prices were obtained 16 showed increases, including potatoes, 26 per cent; eggs 20, and butter 16 per cent. Decreases were noted in 23 articles, including sugar nine per cent, and cabbage eight.

The general increase in price in St. Paul was 10 per cent; in Milwaukee and Minneapolis, 8; Detroit, 7; Indianapolis, 6; Cleveland, Columbus, Peoria, Ill., 5; Chicago and Louisville 3 per cent.

In Los Angeles there was a decrease of two per cent.

Wholesale prices dropped during the month in all commodities as they are grouped by the department, except food staples and farm products, the decreases varying from one-half of one per cent in cloths and clothing to six per cent in house furnishings.

Building materials went down one per cent.

REWRITE PROVISIONS IN ANTI-BEER BILL

**Conference Committee Amend-
ment Limits Search and Seizure
Only When "Without Reason-
able Cause."**

(By The Associated Press)
WASHINGTON, Aug. 17.—An agreement reached today by senate and house conferees on the Willis-Campbell anti-beer bill was rewritten to impose penalties on federal agents who conduct searches "without reasonable cause," and who enter private dwellings in search of liquor without search warrants.

As rewritten conferees said tonight, the amendment does not contain the house provision limiting the issue of search warrants covering private residences to cases where there is reason to believe that liquor is being manufactured for sale or sold on the premises.

All other senate amendments were retained.

GEN. WOOD GRANTED LEAVE OF ABSENCE

(By The Associated Press)
PHILADELPHIA, Aug. 17.—The University of Pennsylvania board of trustees today voted possible for Major General Leonard Wood to become governor-general of the Philippine Islands for one year, when they granted him leave of absence from scholastic duties until September 1, 1922.

This action was taken at a special meeting, called to consider letters from Secretary of War Weeks, requesting the board to release the general from his position to become head of the University, so he might take charge of the government's affairs in the Philippines.

**BANDIT IDENTIFIED
AS WAR "OBJECTOR"**
MILWAUKEE, Wis., Aug. 17.—A bandit who shot himself yesterday when cornered by detectives following an attempt to rob a jewelry store, was identified today as Robert Cage, 24, Leslie, Mississippi, a conscription objector during the war and a paroled prisoner from Camp Grant.

Reference to department of justice records here showed him to have been paroled at the close of the war after serving part of a sentence of 50 years, later reduced to 25 years imposed by court martial, according to police.

It was also stated at Central Police headquarters that he is believed to have been one of a number of I. W. W. sympathizers picked up here during the war.

DEVALERA HOLDS OUT CONCESSION TO ULSTERITES

North Ireland Need Not Give Up Own Point of View

(By The Associated Press)
DUBLIN, Aug. 17.—The Dail Eireann will go into secret session tomorrow to discuss the British government's proposals for peace with the reiterated words of Eamonn DeValera still fresh in the minds of its members:

"The Dail Eireann cannot and will not on behalf of Ireland, accept the terms offered."

At the second session of the parliament, held today in the Mansion House, Mr. DeValera again dealt with the British offer. Again he insisted that nothing less than independence for Ireland was in the minds of the Irish leaders.

Ireland Not Mentioned.
He stressed his viewpoint that the status of a dominion government had not been made to Ireland. The statement that such a government had been offered contained two falsehoods, he said. There was no Ireland mentioned in the terms, only two broken pieces of Ireland. Dominions had the right to secede, but the Irish republic may stay with the empire whether it desired to do so or not he said.

Oliver Branch Out.
Mr. DeValera held out the olive branch to Ulster by declaring that in entering with negotiations for a settlement of the controversy Northern Ireland need not give up its own point of view. He said he would be willing to suggest that the Irish people give up a good deal in order that Ireland might be able to view the future "without anticipating distracting international problems."

Mr. DeValera declared again that the chains of the minority in Ireland, as represented by the Ulsterites, were wrong, but added that he for one would be ready to go a long way to give in to Ulster "if we could get them to come with us and consider the interest of their own country and not be allying themselves with foreigners."

Try to Overcome Impasse.
Everywhere these words of Mr. DeValera with regard to Ulster were received as an indication that events were transpiring behind the scenes having as their purpose the bringing of Sir James Craig, the Ulster premier, into touch with the Sinn Fein leaders in the hope of evolving some means of surmounting the present impasse.

Significance in this respect also attached to the words of Mr. DeValera with regard to Ulster were received as an indication that events were transpiring behind the scenes having as their purpose the bringing of Sir James Craig, the Ulster premier, into touch with the Sinn Fein leaders in the hope of evolving some means of surmounting the present impasse.

See Way Out.
Another way out of the deadlock which has arisen over the peace negotiations aside from the possible submission of the terms of Premier Lloyd George to a referendum, is said to have been suggested today to members of the Dail Eireann. In effect this suggestion is declared to have been that the Dail Eireann, considered the governing body of the Irish Republic, should go to Great Britain, saying:

"We as a republic are desirous of becoming a member of the British commonwealth. We are willing to grant you the concessions which Mr. Lloyd George has demanded in his letter, such as naval and air bases."

UNEMPLOYMENT IS SLOWLY DECREASING

(By The Associated Press)
WASHINGTON, Aug. 17.—Increases in the number of persons employed in July over the number employed in June were shown in eight of 14 industries for which the department of labor published figures today. Manufacturers of men's ready made clothing reported they had increased their forces in July to 28,314 from 25,998 in June an increase of 8.9 percent. Leather factories employed 12,130 in July as against 11,701 in June an increase of 3.7 percent. Boot and shoe factories had 59,385 workers on their July payrolls as against 57,690 in June an increase of 3.1 percent, while automobile factories employed 79,064 in July as compared with 76,734 in June an increase of 3 percent.

The greatest decrease was shown in the number of persons employed in iron and steel factories which in July had on their payrolls 100,776 persons against 115,411 in June, a decrease of 12.7 percent.

As F. H. Collier says in the St. Louis Globe, most of this discussion about hobbled hair comes from men. So far as we recollect, women have never attempted to tell men just how they should part or wear their hair. So why should men concern themselves about the hobbled hair program?

Authorities in Russia have changed the prohibition restrictions and permit the use of wine and other light liquors. The next thing on the program should be the statement that the present famine conditions in Russia are

the result of the prohibition laws which have supposedly been in force.

Secretary Hoover certainly has reason to be proud of the financial report which shows that the distribution of relief funds under his supervision was accomplished during the war period at an expense of about one half of one per cent. This means that 99 1/2 cents out of every dollar was actually used for the purpose intended.

This condition is in very strong contrast to a great deal of relief work wherein a large part of money is consumed in supervision and distribution expenses.

Prices for some farm products are reduced to figures lower than normal. There are a good many cases of unemployment in Jacksonville owing to the shut down of the C. P. & St. L. shops and the general curtailment of building. But if you could get the actual figures on the bonds and securities held by every individual in Morgan county the total would surprise you. Just now a certain feeling of depression prevails, but there is a much greater volume of wealth than the county had in the pre-war period.

A man was arrested the other day in Davenport, Iowa, for

violating the aerial laws. He flew an aeroplane over the business district and the law makes this a misdemeanor, since it constitutes a menace to public safety.

This incident gives certain indication of the way times have changed. Only a few years ago Orville Wright and men like him were astounding the world with their air machine experiments. Now cities must have laws to govern aerial navigation, and the flying of an aeroplane is so common that the sight of one attracts only casual attention.

Certainly the city commissioners in Springfield have a very strong hold upon the people. Either they have made such an excellent record that the people are with them, or else they have a political organization which works with clock-like smoothness.

In a recent special election there were twelve distinct questions of public policy on which the people were expected to vote. The commission opposed four of these questions and four propositions were carried. Evidently practically the same persons voted against the four propositions who voted in favor of the eight.

It used to be said that the public cannot vote with intelligence on more than three or four public questions in one election, but the Springfield record entirely disproves this theory.

PROMINENT WOMAN HELD FOR ARSON

CUBA, Mo., Aug. 17.—Mrs. Gertrude B. Organ, 35, daughter-in-law of the late Colonel J. E. Organ, for many years member of the state legislature, was arrested today by Deputy Sheriff Matthews on a warrant charging arson.

The charge grew out of a fire last January which destroyed the plant of the Weekly Monitor, one of the oldest weekly newspapers in the state. Mrs. Organ was editor of the paper, following the death of her husband.

JOHN MARTIN WEDS MISS VOGT OF SALEM

Wedding of Two Former Illinois College Students Took Place at Southern Illinois City.

John Martin of 383 E. Morton avenue and Miss Wilma Vogt of New Salem were married yesterday evening at the home of the bride. The wedding was attended by only the immediate relatives and close friends from Jacksonville were present at the ceremony.

Miss Vogt, who has been living with her mother, Mrs. Nonie I. Vogt, attended Illinois college here during the year of 1919-1920 and was active in college life. She was a member of the Sigma Phi Epsilon literary society and was very popular.

Mr. Martin has lived with his parents, Mr. and Mrs. T. S. Martin on East Morton avenue, all his life and has graduated from the local high school and from Illinois College. While in college he was one of the leading debaters and extemporaneous speakers and a prominent man in the Phi Alpha society. For the past year he has been an instructor in the Case School of Technology, in Cleveland and he plans to return to Cleveland this winter. Mr. Martin is rightly accounted one of the fine young men of Jacksonville.

Mr. and Mrs. Edward Tomlinson and Edwin Smith were among the Jacksonville people present.

UNITED STATES ARMY WILL HAVE FINE STAFF

(By The Associated Press)

WASHINGTON, Aug. 17.—Reorganization of the army general staff to conform with that set up at American Expeditionary headquarters in France will give the United States "the best staff the army ever had" in the opinion of Secretary Weeks and General Pershing. The great advantage of the new system they both pointed out today when orders affecting the reorganization were issued, would be the facility with which it could be merged into a war machine without the necessity for changes either in the war department or in the field.

"Hitherto the war department general staff has been constituted as a single indivisible unit," General Pershing said, "and the principle has never been recorded that in event of war one portion of the control must take the field prepared to assist the commanding general while another portion must remain in the war department prepared to conduct the equally important operations connected with the mobilization of men and material."

MR. DAGENHART DIES IN CENTRALIA

C. B. & Q. Detective Never Recovered From Wound Received in Battle With Concord Car Thieves.

The death of John C. Dagenhart, a C. B. & Q. railroad detective, occurred at his home in Centralia. Mr. Dagenhart was wounded at Concord May 6, as he attempted to arrest car thieves. His companion engaged in a running revolver battle with the thieves but they were not apprehended.

Mr. Dagenhart was shot thru the abdomen, the bullet lodging in his spine. He had been in a helpless condition ever since the shooting and it was realized that his death was but a question of time.

Social Events

Gave Surprise Birthday Party Mrs. Russel Oliver was pleasantly surprised by a company of her friends and relatives Wednesday evening, the occasion being her birthday. Music and games during the evening were enjoyed by all. At a late hour refreshments were served. The guests departed at the end of the enjoyable evening wishing Mrs. Oliver many happy returns of the day.

IOWA POLICEMAN CHARGED WITH MANSLAUGHTER

Des Moines, Ia., Aug. 17.—Charges of manslaughter were filed against Policeman Don Parrott in municipal court this afternoon, in connection with the accidental shooting and killing early this morning of Mrs. August Hast. Parrott pleaded not guilty and is being held under \$1,000 bond.

Mrs. Hast was killed by a bullet from the officer's pistol, which was fired with the intention of halting a fleeing suspect.

INTEREST CONTINUES IN CHAUTAUQUA EVENTS

Mass Singing a Feature of Wednesday Program—Two Concerts by Zedler Quintet—Mr. Lichter Talked on Reconstruction Theme—Notes.

Manager Gage opened the chautauqua event of Wednesday with a lecture at 11 o'clock, his theme being "Life's Greatest Game." In the afternoon and evening the Zedler Quintet gave concert programs and the afternoon lecture was by M. H. Lichter. The evening program also included a song service which Mr. Gage led. The chautauqua audience thoroughly enjoyed Mr. Gage's leadership in mass singing that they look forward with pleasure to each one of the song services.

This morning Mr. Gage will give another lecture in his series, his theme being "The Greatest Race in Life." The Chicago Operatic Co. will appear both morning and afternoon. The afternoon lecture will be by S. Parke Cadman and Henry, the Magician, will appear in the evening.

Mr. Lichter in his afternoon address discussed some problems relating to the reconstruction period. He said that the solution of present day difficulties was not to be found in the reduction of taxes or in the revision of the tariff, or in additional farm loans, but in a new point of view.

He said that one of the most important duties of the government is to go into the business of making peace, and that can be accomplished by a thorough understanding between America and England.

The speaker frequently used the term, "the vaudeville mind," and defined it once as a man which knows no difference between great and little truth. Mr. Lichter said that the public schools suffer from the vaudeville way of thinking, which results in overloaded curricula, overtaxed teachers and pupils, together with too many special programs.

The speaker argued that the ills of today cannot be cured by legislation and said that other remedies must be found.

The attendance at the sessions Wednesday was fully up to standard and it is very evident that the people are pleased with this year's program. The heavy rain Tuesday night caused inconvenience to a great many campers. The down-pour was so heavy that many of the tents leaked. However, there was no serious inconvenience and the sunshine and wind of Wednesday quickly dried out both the tents and the muddy grounds.

CHAUTAUQUA NOTES

Mrs. Helen Dinwiddie and daughter Helen were guests at the Frank Masters tent Tuesday night.

Mrs. Beatrice King, daughters Ida and Wanda, visited the J. B. Jordan tent Tuesday night.

Miss Bernice Henry was up from Woodson yesterday for a visit with Mesdames McCurley and Blimling.

Miss Edna Bracewell was a guest of Mrs. Emma Cully Wednesday night.

Andrew Moy was a guest at the tent of Stephen Dunlap Wednesday night.

Mr. and Mrs. George Thompson of Murrayville visited Mr. and Mrs. C. T. Daniel and Mrs. Hayden and two friends Wednesday.

The good offices of the Red Cross were enjoyed by Richard W. Walter, a boy who had the misfortune to come in contact with some poison ivy along the hedge.

W. Woodward made a trip to Chula yesterday.

Mr. and Mrs. L. F. Berger and daughter Gwendolyn and Mrs. Sarah Mooers are up from Mercedosa to be guests at the Berger Inn the rest of the week.

The loading of the birds and animals of the Panhandle animal show attracted a large gathering of youngsters at the general wish was that they would come again.

G. R. Fox, Mrs. Earl Fox and Earl Fox Jr. spent Wednesday at home canning corn for next winter, but were on hand in the evening.

Mrs. A. A. Curry and granddaughter Janeline and Miss Myra Craven occupied the tent of the Woman's Federation of Clubs Wednesday night and had little trouble from the rain.

Frank Cohen and Leland Perbix called on Misses Dorothy Walls and Grace Tilton at the Outside Inn Wednesday.

Mrs. Annette Scott, formerly Miss Blackburn, was a guest at the Edward Hemmrich tent Wednesday evening.

STATE C. OF C. WILL MEET IN BENTON

The annual meeting of the Illinois Chamber of Commerce will be held at Benton, Franklin county, September 30.

The Benton Commercial club is in charge of the arrangements for the meeting. James D. Snyder, formerly private secretary to Omar Wright, state director of finance, is secretary of the Benton Commercial club.

The visitors will be guests at Centralia, Carbondale, Anna, Murphysboro, Cairo and Harrisburg before going to Benton to make a study of the resources of southern Illinois. The Illinois Coal operators will attend the meeting together with mine superintendents and mine managers from all coal mines in southern and central Illinois.

The Benton Chamber of Commerce will run a special train from Benton in the afternoon of the meeting to all the large coal mines of Franklin county, showing the visitors of Illinois the largest coal mine and largest coal washer and other mines which make Franklin county the world's greatest coal county.

All About Something for Nothing

—Merchandise bought from an inexperienced seller costs just as much—often times more—than merchandise bought from an experienced seller.

—When you buy from an experienced seller, who gives you special knowledge, trained judgment and valuable information to guide you in your transactions, you get something worth while for nothing.

—We have held pianos and players here for years and years and it is our pleasant privilege to intelligently advise clients concerning their piano and player-piano needs.

—This is not an idle claim nor a selling venture—we will demonstrate the value of dealing with an experienced salesman (especially in pianos) to any man or woman in this section who will ask it.

—Come in or send for us.

—Let us give you something for nothing—the benefit of our experience—it will place you under no obligation, and it will aid you.

How to Eat Iron

Your body needs iron, but you can only get it from the food you eat—not from tonics or ten-penny nails. That is Nature's plan. Of all the minerals the body needs iron is the most important. Try this iron-food for breakfast:

Shredded Wheat

Biscuit with Stewed Raisins. Heat two Biscuits in the oven to restore their crispness and cover with stewed raisins and milk. It supplies all the iron you need and all the food you need in digestible form—a food that puts you on your toes for the day's work.

TRISCUIT is the Shredded Wheat cracker. A crisp, whole wheat toast eaten with butter or soft cheese.

Clothes for You

When you Buy You Want the Best

—The best in clothes is that always which will give you the most for the money expended.
—Long service is an important factor while style and fit also are essential.
—No clothes are good if lacking in smart lines and correct draping which can be given only when they are made to order—made to fit just you.
—At this shop you get all of these things plus an unmistakable quality and beauty in the material you select to have made into the suit you should wear.

REACH AGREEMENT ON DATE TO HEAR CURTIS ARGUMENTS

Is Co-Defendant With Gov. Small and Lt. Gov. Sterling

(By The Associated Press)
SPRINGFIELD, Ill., Aug. 17.—Arguments on the question of a change of venue for Vernon Curtis, Grant Park banker, co-defendant with Governor Small and Lieutenant Governor Sterling in the state treasury embezzlement cases, will not be made until after the September term of the Sangamon circuit court opens.

This was determined late today following a conference between the State's Attorney Mortimer and Paul B. Fisher, of Chicago, attorney for Mr. Curtis.

Both Mr. Fisher and Mr. Curtis were in Springfield today. In his conference with the state's attorney Mr. Fisher said he would not be prepared with his arguments on August 22 as had been planned and an agreement was reached to argue the motion of a change of venue at the same time attorneys for Governor Small appear for the same purpose.

Court Convened Sept 6
This, it was believed left the whole case pending until Sept. 6 when Judge E. S. Smith convenes court and names the judge before whom the arguments for a change of venue will be held.

No move towards a conference between State's Attorney Mortimer and counsel for Governor Small to attempt to agree upon some other county in which to try the governor's case was made today.

Mr. Mortimer, in a statement issued following notification that Mr. Curtis would ask for a change of venue from Sangamon county, declared he would oppose the motion. His offer to agree to transferring Governor Small's case did not include the case of Mr. Curtis.

Governor Small tonight was planning to leave tomorrow for Kankakee. He expected to return to Springfield for the state fair.

GERMAN LEADERS TALK OVER U. S. TREATY

Chancellor Consults Party Representatives On Details of Agreement to Be Made With United States.

Berlin, Aug. 17.—Chancellor Wirth, Foreign Minister Rosen and Dr. Haniel von Haimhausen, under-secretary of the foreign office, conferred today with representatives of the coalition party with regard to the forthcoming peace treaty with the United States.

The chancellor followed custom in consulting parliamentary leaders on important issues by confining today's deliberations to representatives of the clerical, democratic and majority socialist parties. During the next few days he will call in the opposition leaders and inform them that an agreement has been drafted on the strength of informal conversations between Dr. Rosen and Ellis Loring Dresel, United States commissioner, which is believed to be acceptable to the United States as a basis for the enactment of a final treaty.

Little serious opposition is expected by the chancellor when the treaty is taken up for ratification by the foreign relations committee of the reichstag.

DON'T DELAY

Don't neglect a cough or a cold until it runs into serious sickness. Pneumonia and consumption often have their beginning in a slight cold. At the first indication of a cold, use

Foley's Honey and Tar.

Mrs. D. E. Parmeter, Childs, Pa., writes: "I am writing to tell you of the good Foley's Honey and Tar has done me and I feel much better since I am taking it. I have tried many cough medicines but none relieve my cough and irritation in the throat as much as your medicine and I will be pleased to recommend it to my friends and tell them of the good it has done me."

GREENE COUNTY HORSES AT MISSOURI FAIR

W. S. Corsa Has String of Percherons in Show Ring at Sedalia, Mo.—Highway Engineers Make Re-Survey—Other Greene County News

White Hall, Aug. 17.—W. S.

Corsa left yesterday for Sedalia, Mo., where he has a string of Percheron horses in the show ring of the Missouri centennial state fair.

The highway engineers have made a re-survey of the route thru the H. W. Roodhouse farm, south of town, and have gone to the Macoupin creek bottoms to investigate the objections from that point. There will be no contract

let for the state hard road further north than the Roodhouse farm until all objections have been overcome. The highway department is determined to follow the most direct course between Carrollton and White Hall, but at the same time is not disposed to invoke the right of eminent domain at places where objections to the survey arise.

Myron Ellis will return to Wichita Falls, Texas, the latter part of this week, after spending a vacation of three weeks with his parents, Mr. and Mrs. Alonzo Ellis. He is assistant cashier of the Security National Bank, his rise in banking circles in this oil center having been rapid in the two years that he has been located at Wichita Falls.

Miss Lorene Lindig has just terminated a visit with her sister, Mrs. Frank Myers, and returned to Louisville, Ky.

Miss Cora Clark is again at the switchboard of the Illinois Telephone Co., after a vacation of two weeks.

Mr. and Mrs. C. A. Ruckel have returned from Akron, Ohio, after an absence of nearly a month. The condition of Francis Fowler has shown no material change during the past two days, but he remains a very sick man.

The annual meeting of the Greene County Press Association will be held in connection with the chautauqua assembly Friday afternoon and evening. The gathering will include the proprietors and employees of all the newspapers of Greene county.

Roodhouse Band Gives Concert The Imperial Concert Co. occupied the afternoon program at the chautauqua Tuesday afternoon, the third day of the 1921 assembly. The attendance is maintained at a high figure at all sessions.

The visit of the Rawlins concert band of Roodhouse was one of the happy incidents, they coming down voluntarily and giving a program of selections of a high order. This organization is something of which Roodhouse and all Greene county has every reason to be proud. They have favored White Hall with volunteer visits in the past, including the chautauqua in previous years, and they have been given promises of a place on the program, and the promises have been made good by their own volition and playing gratis.

PRETTY WEDDING AT HOME NEAR FRANKLIN

Miss Gertrude Belle Lashmet is Bride of William H. Barker of Murrayville—Both Belong to Well Known Morgan County Families.

At a pretty home wedding ceremony which took place at 7 o'clock last night, Miss Gertrude Belle Lashmet of Franklin and Mr. William H. Barker of Murrayville were united in marriage. The wedding was solemnized at the home of the bride's father, Charles Lashmet, six miles west of Franklin, and was witnessed by only the immediate relatives and a few friends.

Rev. A. H. Sherman, pastor of the M. E. church at Franklin, was the officiating clergyman, the impressive ring service being used. The bride and groom were attended by Mr. and Mrs. John Andell of Winchester, the latter a sister of the bride. The wedding music from Lohengrin was played by Mrs. Frank Wilson.

The bride wore a charming gown of white crepe de chine and embroidered net and carried a bouquet of bride's roses. The bridesmaid's gown was of pink organdie and she carried pink roses.

Following the ceremony and the extending of congratulations, a lap supper was served. The dining room and other rooms at the disposal of the guests were decorated in a charming manner, cut flowers and ferns being used profusely.

Mr. and Mrs. Barker left last night for a wedding journey of ten days or two weeks, and will visit Chicago and other points. Upon their return they will be at home on a farm seven miles east of Murrayville.

Mrs. Barker was born and reared near Winchester and attended the public schools in that vicinity. For the past five years she has resided in the Franklin neighborhood, where she has won a wide circle of friends by her charming personality. She is a member of Durbin M. E. church and has been very active in church and social circles.

The groom is a son of Mrs. Alice Barker residing seven miles east of Murrayville and has spent his entire life in Morgan county. He attended the public schools in his home community and later attended Brown's Business college in this city. For some years past Mr. Barker has been engaged in farming operations, in which he has been very successful.

Mr. and Mrs. Barker begin married life under most happy circumstances, and have the congratulations and best wishes of a host of friends.

The Mystery of the Cook's Pet Parrot

A FUNNY paper recently.
SLIPPED ME a good laugh.
WITH A wheeze about.
A FAMOUS ventriloquist.
AND WHY he had quit.
THE VAUDEVILLE stage.
IT SAID he discovered.
HE COULD make more jack.
SELLING WOODEN parrots.
SO WHEN I got home.
I PASSED the joke.
TO OUR cook, who owns.
BOTH A speechless parrot.
AND A sense of humor.
BUT SHE muffed it.
BECAUSE SHE didn't know.
WHAT A ventriloquist was.
SO I had to explain it.
AND ON the way out.
I BLEW just a whiff.
OF CIGARETTE smoke.
AT HER amusing old.
FOOL OF A parrot.
WHICH NEVER talks.
AND I said, "Poll.
HOW D'YOU like it?"
AND TO this day.
IT'S GOT me guessing.
WHETHER IT was cook.
OR THE blamed bird.
WHICH SQUAWKED back.
"THEY SATISFY."

CHESTERFIELDS speak for themselves. They let you know you're smoking. They "satisfy" and yet, they're mild. An impossible combination, you say? Sure—everywhere but in Chesterfields. The blend does it and the blend can't be copied!

HOME RUN BY RUTH TRAVELED 675 FEET

Longest Hit Ever Made in the White Sox Ball Park—New York Easily Defeated Chicago by Score of 11 to 3.

Chicago, Aug. 17.—Babe Ruth, in hitting his 45th home run of the season today, registered the longest hit ever made in Comiskey Park.

The ball cleared the high center field bleacher wall by about ten feet and landed outside, a distance approximately 175 feet from the plate. After striking the ground in an adjoining lot the ball bounded 200 feet or more beyond.

DON'T SQUEEZE BLACKHEADS—DISSOLVE THEM

Squeezing and pinching out blackheads make the pores large and cause irritation—then, too, after they have become hard you cannot get all of them out. Blackheads are caused by accumulations of dust and dirt and secretions from the skin and there is only one safe and sure way and one that never fails to get rid of them—a simple way, too—that is to dissolve them. Just get from any drug store about two ounces of calomel powder—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly for a few seconds—wash off and you'll be surprised to see that every blackhead has disappeared and the skin will be left soft and the pores in their natural condition—anyone troubled with these unsightly blemishes should try this simple method.

CLEVELAND WINS FROM PHILADELPHIA

Indians Pounded Pitchers Hard—Coveleskie Lasted Only Two Innings—Walker Hit in Head by Batted Ball and Is Suffering from Concussion of the Brain.

Cleveland, O., Aug. 17.—Cleveland hit Philadelphia pitchers hard today and won 15 to 8, the visiting hurlers also being wild. Coveleskie, who started for the champions lasted less than two innings but Caldwell who relieved him was effective. First baseman Walker of the Athletics was hit on the right side of the head with a ball batted by Jamieson in the first inning. He was knocked unconscious but soon afterward regained consciousness.

At a hospital it was found he was suffering from concussion of the brain.

WHEAT'S MUFF GAVE ST. LOUIS GAME
Brooklyn, Aug. 17.—Zach Wheat's muff of Schultz fly in the fifth inning today caused Brooklyn to lose to St. Louis 3 to 1 as only two men were out when a heavy rainstorm prevented further play. Had the Superbas' outfielder caught the ball the side would have been retired and the game gone on record.

This priming won't ruin your rifle

Your rifle is your friend. You treat it as something more than cold metal and wood. You couldn't sleep if you had used it and not cleaned it thoroughly.

Buy only US Cartridges. They have a special non-fouling, non-erosive priming. Every expert knows

that ordinary priming causes rust and in time digs little "pits" that destroy the accuracy of the bore.

If you value your rifle, treat it well. Give it the ammunition that will protect it from the ravages of rust.

Money back if not satisfied with US Cartridges.

THE BIG SPECIAL
Just now we are featuring peach ice cream, made from luscious hand-picked peaches and the price is only 50c the quart at MERRIGANS.

A Complete Job Will be Cheaper
When you have your house wired it will pay you to have a complete job done instead of starting with a light or two and adding to it from time to time.

Not only will it be cheaper in the long run, but it will save the inconvenience of having workmen in the house from time to time, to make additions to an incomplete installation.

Be sure to have plenty of "convenience outlets" put in also.
Ask us for advice and estimates.

Daily Market Report

By Associated Press.
CHICAGO, Aug. 17.—Unfa-
vorable reports about general
business conditions gave an ad-
vantage today to bears in the
wheat market. Prices closed
heavy 2½¢ to 3¢ net lower, with
September \$1.94 to \$1.97 and
December \$1.20 to \$1.21. Corn
lost 1¢ to 2¢ net, oats 1¢ to 2¢,
and provisions 15¢ to \$1.50. At-
tention of traders in wheat
centered largely on official an-
nouncement that 5,700,000 peo-
ple are out of work in the United
States. Federal reserve board
statements about factors operat-
ing against business progress
were given much notice and so
were fresh declines in the New
York stock market, and in for-
eign exchange. The bulls were
further handicapped by assertions
that estimates of yesterday's ex-
port business had been greatly
exaggerated.

On the resulting breaks in
wheat prices, houses with eastern
connections did a good deal of
buying. As a rule long showed
an increased desire to liquidate
their holdings, and with bears
operating more extensively rallies
failed to last notwithstanding
that country offerings were light.
Corn and oats descended lower
than at any time heretofore this
season. Demand was of only a
scattering character. Sharp down-
turns in the provision market
were brought about by the weak-
ness of grain and by a decided
tumble in the value of hogs.

Chicago Livestock Market
Chicago, Aug. 17.—Cattle—Re-
ceipts 11,000. Beef steers 10 to
25¢ lower. Others steady to
yearlings \$10.85; heavies \$10.40,
bulk beef steers \$7 to \$10; fat
heifers \$6.50 to \$7.50; light
bulls \$4.40 to \$6.25; light
vealers \$8 to \$8.75.

Hogs—Receipts 19,000. Large-
ly 35¢ to 75¢ lower than yester-
day's average; some light and
light butchers off more; closing
demoralized, holdover liberal, top
early \$10.25; very few over \$10,
bulk light and light butchers
\$9.50 to \$10; bulk packing sows

PRINCIPAL SHAFER RETURNS TO CITY

B. F. Shafer, principal of the Jacksonville high school, has returned from Olney, Ill., where he and his family have been visiting his parents. Mr. Shafer and his family left Jacksonville early in the summer and motored to Louisville, Ky., where Mrs. Shafer's family reside. From there Mr. Shafer drove to Chicago where he attended the University of Chicago for six weeks.

After his course of study, Mr. Shafer drove back to Louisville and from there he and his family went to Olney. After their visit in Olney they drove to Jacksonville. They were delayed in Springfield Tuesday night by the heavy rains. Altogether the total trip amounts to over sixteen hundred miles for the summer.

Mr. Shafer has returned in the best of health and spirits and hopes to make this school year the best yet for the Jacksonville High school.

ROOM AND BOARD WANTED

JUDGE SAMUELL BUSY IN PROBATE COURT

Orders Entered Wednesday in Large Number of Estates—Inventory Shows Large Holdings of Late W. C. Ledford.

Judge Samuell made orders in a large number of estates in the probate court yesterday. The final report of James A. Stice as administrator of the estate of B. F. Kepplinger was approved. Report shows a balance of \$8,474.

The inventory in the estate of W. T. Pierman filed by Catherine Pierman and Ellen A. Collins as administrators, was approved. The personal property includes a note for \$8,000 and \$10,400 in cash. Mr. Pierman also owned some real estate.

On petition of Emma Taylor and Agnes Megginson as administrators, the estate of Charles E. Taylor was reopened. This action was taken because of the showing made that after previous report certain securities to the value of \$500 had come into possession of the administrators.

In the estate of J. B. Beekman, of which William and George Beekman are the executors, the inventory was approved. Lands to the extent of 200 acres are listed, together with about \$3,300 worth of personal property.

The inventory filed and approved in the estate of the late William C. Ledford shows extensive holdings. The inventory was filed by James W. Ledford and Sallie Hoagland as administrators. Property listed includes lot 2 in Capps & Lambert's addition to the value of \$3,500; lot in Lorton & Kedzie's addition, \$350; 24 acres in 22-15-10, value \$2,400; 40 acres in 11-15-10, value \$10,000; lots 2, 3 and 4 in Sample's sub-division of 10-15-10, value \$2,700; lot in Richard Bibb's addition, \$1,000; land in 33-16-5, Sangamon county, \$4,000; land in Holmes Place, Springfield, \$150; farm land in Macoupin county, 357 acres, value \$47,500; property in Kissimmee, Fla., value \$2,000; notes \$9,862; bonds \$1,050; grain on hand \$610; cash, \$912.

Inventory in the estate of Charles B. Graff was filed by L. Fairlee Graff as administratrix, and approved. This estate includes a considerable amount of real estate, most of it in Jacksonville. In addition, Mr. Graff had government securities to the value of \$4,000, notes \$4,000; cash \$3,400.

The inventory in the estate of Joseph V. Breckon was filed and approved. This document shows the estate includes 160 acres of land located in 22-4-6, together with residence property on West North street.

Miss Fairlee Graff filed an inventory and report as the guardian of Sallie Ann, Alice and John Plinn, and the same was approved.

The inventory filed by E. E. Crabtree and F. J. Waddell as executors of the estate of Evelyn F. Brown was approved. The document shows the following holdings:

Lots 38 and 39, Chandler's addition, known as the Business college, valuation \$7,500.

Residence property at 235 Westminster street, \$9,000; 280 acres of farm lands in the northern part of Morgan county and 60 acres adjoining it in Cass county, valuation \$60,000; government bonds \$27,500; note \$1,000.

The report of W. G. Goebel, conservator of Louisa Alcott, was approved.

The report of J. W. Oxley as executor of the estate of William J. Oxley was approved. This report showed receipts of \$7,877.

The report of the Farmers State Bank & Trust Co., as guardian of Millie and Josephine Kennedy was approved.

A supplemental inventory filed in the estate of Bernard Gause was approved.

The appraisal bill filed by the Farmers State Bank & Trust Co. in the estate of Judy Barnett was approved.

The inventory in the estate of Jackson Henderson was approved. Property holdings include a lot in Litterberry, cash and notes to the value of \$4,600.

The report of C. F. Wemple as executor of the estate of Margaret Maline was approved. This showed a cash balance of \$1,663.

Ida M. Wells, as executor of the estate of Alice McLeod, filed a petition for the appointment of an appraiser to fix the amount of taxes.

The report of the Farmers State Bank & Trust Co. as guardian of Emma and John D. Ragan was filed and approved, showing receipts amounting to \$1,042.

In the estate of Albert Miner, petition was allowed for the public sale of personal property.

CITY SCHOOLS WILL OPEN SEPTEMBER 6

Date for Opening of Public Schools Fixed at Called Meeting of Board of Education Wednesday Morning—Other Matters of Business Discussed.

The board of education met in called session yesterday morning at eleven with all present except Members Caldwell and Fiedler. President Lippincott in the chair. Member Metcalf was appointed secretary pro tem. The meeting was held in the office of the new building. The call was to determine the date of opening the schools, to consider the furnishing of the new high school building and to act on any other matters that might come before the board.

Supt. Perrin recommended Sept. 6th as the date for opening the school. He stated that the high school building might not be ready, but that there was no need of keeping all the other pupils of the city out of school on that account and accordingly that date was decided on for the opening.

The time when the high school may be opened cannot now be definitely settled, owing to the lack yet of some important furnishings and it was finally decided to leave it to the discretion of the superintendent to begin, all in the David Prince building as at present and continue till the furnishings are ready; to defer the opening a short time or to begin on time with such appliances as are available.

The matter of the cafeteria was brought up and discussed at some length. It was decided to conduct it under the management of the domestic science or home economics departments, a plan which is very generally followed in other places where they have such enterprises. A suitable assistant can be employed and the affair conducted in a satisfactory manner.

It was stated that the cafeteria is for all school pupils whether they invest any money in eats or not. They may bring their own lunches and eat there without buying anything or they may buy a bowl of soup, a piece of pie or anything they desire, no matter how small.

In other places the use of tea and coffee is not permitted but cocoa is sometimes used. No candies, chewing gum or fancy confectionery will be sold there. The use of milk is especially urged. A coffee urn will be there and if needed on special occasions it can be used. A five cent standard has worked well elsewhere; soup, pieces of meat, sandwiches, pie and other articles put up in five cent packages or cups has worked well.

The furnishing will cost from \$1,000 to \$1,500 and will be bought as soon as practicable.

A plan for the main audience room will be needed and it was suggested that one might be bought and paid for by special concerts. The chairman of the finance committee was instructed to negotiate for the purchase of an instrument.

Several letters regarding furnishing of the new building were read and steps were taken to hurry up all material as fast as possible. It was decided to have a general opening or reception day that the general public may view the new high school building. It will be after all furnishings are in place.

Adjourned.

TRACTION MAIL SERVICE
U. S. mail service has been established on the Illinois Traction system limited between Springfield and Peoria, cutting off twelve hours' delay as compared with the old round about steam schedule, according to traction officials.

The limited leaving Springfield for Peoria at 9:10 p. m., and the 4:05 a. m. car for Peoria carries the mail. The postal authorities and U. S. officials have been trying out this method for some time, but only this week the postoffice department authorized it.

Jacksonville Lodge No. 570 A. F. & A. M. will hold a stated meeting tonight at 7:30. Visiting brethren welcome.

K. C. CONVENTION A GREAT GATHERING

John J. Ferry of the Morgan county sheriff's office has returned from San Francisco, Calif., where he went as a delegate to the national convention of the Knights of Columbus. It was a great convention, with representatives present from practically every state in the union. A great many prominent men appeared on the program and the business reports presented were

of a kind to indicate the most satisfactory conditions.

The people of San Francisco forgot nothing in their preparations for the entertainment of the delegates. The Illinois delegates had stop-over privileges at a number of western cities and also spent three or four days in Yellowstone park. In every way it was a great trip.

John Brown was up to the city from Waverly yesterday.

PAGEANT REHEARSAL AT CHAUTAUQUA GROUNDS

All persons who are to part in the Red Cross pageant are requested to meet for rehearsal at the chautauqua grounds this afternoon at 4:15 o'clock.

Mr. and Mrs. John Allen of the southwest part of the county made a trip to the city yesterday.

How Old Age Comes To Those Who Invite It

—“There's a Reason”

THERE are plain rules, well understood, about keeping a piece of machinery in repair and running smoothly.

Is the body as important as an automobile engine or a furnace?

Is it as reasonable to talk about the best ways of sustaining the body as it is to talk of proper care for the engine or the furnace?

Well, then—

The body is strengthened, warmed, sustained—kept young—in a very practical and scientific way.

Some Simple Facts

Food is heat and power and renewal for the body.

After all, there's nothing mysterious or magical about what food does in serving human need.

Nothing mysterious, but much that is interesting—and important.

Some foods are particularly good for the body.

GRAPE-NUTS is such a food.

Grape-Nuts is made from whole wheat and malted barley flour—product of the two grains which are richest in food elements for human need. Under the outer, or bran coating of the grain,

nature has placed phosphates and lime which go to the making of bone, and the red blood corpuscles.

This may sound like physiology, but it works like health.

Hunger Not Cheated

All the richness of the kernel, together with essential mineral elements, are retained in the making of Grape-Nuts. Often, in the manufacture of foods, some of the most vital of nature's provisions are thrown away.

The long baking process (Grape-Nuts is the result of 20 hours continuous baking) partially pre-digests the food substances, develops the starches into dextrin and maltose—giving to Grape-Nuts its own natural sweetness—and produces a food which, when served with milk or cream, has been found by chemists to be almost perfectly balanced in qualities of nutrition.

The Enemies Within

Now, old age begins in the larger intestine.

This is what the scientists have found who know the human body as the mechanical expert knows his automobile engine.

Noneed to go into the particulars—it's enough to say that certain effects produced by food which is slow in digest-

ing develop fermentation and other conditions which cause the bodily machine to slow down and wear out sooner than necessary.

Grape-Nuts digests quickly and wholesomely.

Much of this is due to the fact that the long baking has partly pre-digested the nutriment; partly to the fact that there is contained in Grape-Nuts the essential “roughness” to stimulate the action of the intestines.

Health's Splendid Champion

Grape-Nuts is a delightful food, for it is uniquely rich and sweet in flavor, and always crisp. It is unusually nutritious, for it has all the body-building elements of the most perfect food grains. It is a convenient and economical food, for it is ready to eat from the package, keeps in any climate, and is appetizing to the last bit.

It builds strength and vigor without taxing the digestion or leaving, within the body, elements whose familiar harm is really the beginning of “old age.”

Grape-Nuts has been a favorite food, around the world, for nearly a quarter of a century—

And there is a reason!
